8. Inclement Weather Policy

In the event of inclement weather or other events which affect our ability to play as planned, the Tournament Committee may modify Tournament Rules in order to safely and fairly complete the tournament successfully. The Tournament Committee will make their decisions on what is best, considering the health and safety of the players. Scottsdale Soccer Club utilizes city-provided fields for all play. During inclement weather, the cities will take into consideration the need to prevent the destruction of the fields and facilities. Scottsdale Soccer Club does not own the fields, nor does it have any authority over their usage. Coaches and team managers are asked to remain flexible to the changes in fields/locations as required and to keep in contact with tournament officials for these changes.

Typically, the inclement weather plan will consider the following, in order:

- A. Play all games as scheduled.
- B. Eliminate pre-game warm-up on fields.
- C. Shorten matches.
- D. In the event the field conditions are unplayable as determined by the Tournament Committee or the city, games in question may be decided by penalty kicks from the mark. (FIFA rules apply).
- E. If matches are unable to continue due to any reason(s), tournament placement will be based upon the last fully completed round of play. Bracket tie-breakers will be used to satisfy any ties that remain. If bracket tie-breakers cannot resolve a tie, the Tournament Committee will utilize a coin toss to resolve the situation.
- F. In the unlikely event of game cancellation(s) due to inclement weather, entry fees will be forfeited. Scottsdale Soccer Club will make no guarantees of any refunds. However, Scottsdale Soccer Club recognizes the financial commitments of teams entering the
